Residents and staff get drumming for Black History Month

Thrive's residents and staff were drumming to their own beat as part of special workshops we organised to celebrate Black History Month.

We worked with the ASCEND community charity to hold the events, including African drumming workshops, for residents at our Tannerswood Court sheltered scheme in Abbots Langley and for staff at our Croxley Green HQ.

Angela Walford, from the Watford African Caribbean Association, also joined the sessions as guest speaker to talk about key events and characters in black history. The day was rounded off with some tasty African and Caribbean food.
